

Bidwell Wrestling Academy
2376 North Avenue Chico, CA 95926
HONESTY, RESPECT, DEDICATION

Dear Supporter:

K-8 athletic programs receive no funding from Chico Unified School District. This requires our athletic clubs to charge annual dues and to fundraise. Bidwell Wrestling Academy requires every wrestler to be able to pay or fundraise \$250 to cover our operating costs. Bidwell Wrestling was developed over 20 years ago with its main purpose to be “Everyone wrestles”. Over those years many families have received scholarships so they could share in their children’s athletic development & personal memories that will last a lifetime. As a local team, we are reaching out to the community to help us raise money for the following items:

- Sponsoring wrestlers (The most important)
- New Gear
 - Uniforms
 - Bags
 - Practice Equipment
- Operational Costs: Insurance, Tournament Fees, Association Fees

As a 501(c)3 nonprofit organization, all donations are tax-deductible and any sponsor amount will be greatly appreciated and put to great use. With your generous donation, you may also qualify for one of our sponsor tier packages which are outlined below.
